

THE FUTURE IS NOW

THE FUTURE IS NOW

The School Board of the
Mason City Community Schools
recently authorized a
\$23,920,000 Expansion
for Mason City High School
Athlete Facilities. Included in this expansion is
a new **Swimming Pool** (natatorium),
Fieldhouse and
Strength and Conditioning Area.

Groundbreaking will be in the
Spring of 2021 with the
projected completion date
being July 1, 2022.

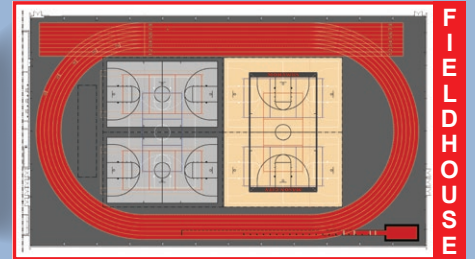

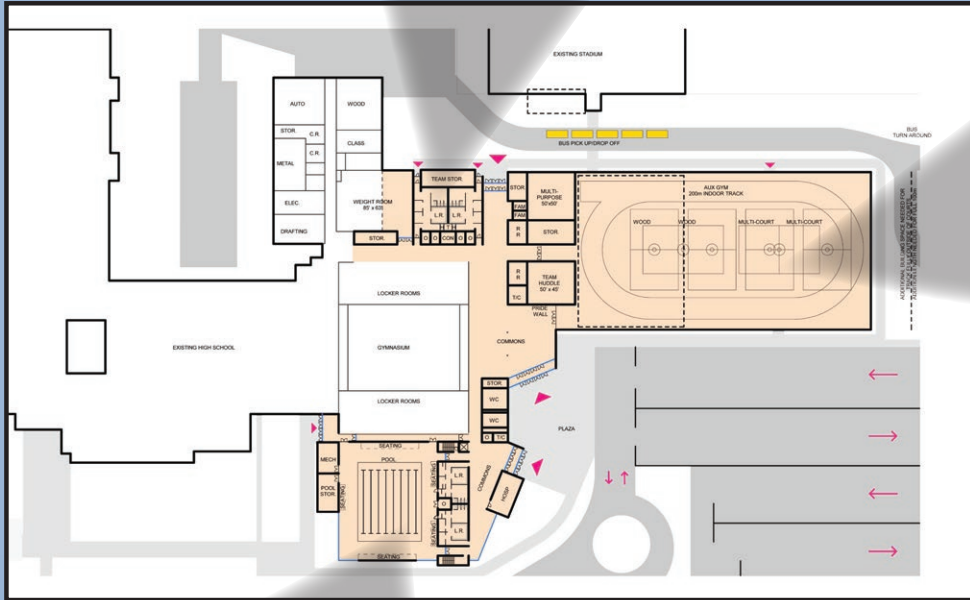

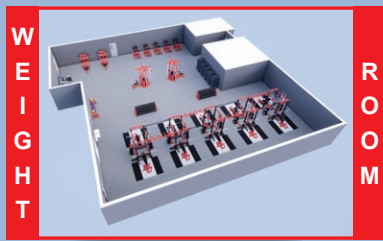

In this brochure you will find renderings by
the architectural firm of Bergland & Cram.
These pictures will show you exactly how
everything will look upon completion.

***This will be first-class and a great asset to
both our school and our community.***

A fundraising campaign entitled ***“The Future is Now”*** has been created to
make these great facilities even greater. More information on this campaign
can be found on the back panel of this brochure.

It's exciting and you are about to see why.

THE FUTURE IS NOW

What an Opportunity!

This capital campaign is designed to raise money to purchase state-of-the-art equipment and supplies. These facilities will be utilized by our students, student-athletes, teams, etc. In addition, we intend to attract and conduct swim meets on both the state and national level. Our fieldhouse will be great for youth volleyball, basketball tournaments, and indoor track meets. In order to do this, we need state-of-the-art equipment!

Contributions from "The Future Is Now" will be used for the purchase of the following equipment: FIELDHOUSE - scoreboards, sound system, scorers tables, volleyball standards, tennis nets, indoor hurdles, and chairs. NATATORIUM - scoreboard, timing system, sound system, starting blocks, lane ropes, and camera system for livestreaming. WEIGHT ROOM: all new weight equipment, sound system, and branding on walls.

These facilities will absolutely put Mason City on the map. With your help, we can make it happen!

Recognition of Contributors

There will be a very attractive display in the main lobby as you come in the new facility. Names of all contributors who are at the platinum level or above will have their own individual plaques in each of the areas. All contributions need to be received by May 1st, 2022 in order for the name(s) of those contributors to be included in the listing of names in the display areas.
